Musician Magazines 1998 Best Unsigned Band Competition received over 1600 entries. Judges screened each entry, paying special attention to the musicianship and songwriting of the submissions. The field was narrowed down to 25 and sent to the artist judges Eric Johnson, Joe Perry, Moby, Keb'Mo', Ani DiFranco, and Art Alexis who selected Dal-Dil-Vog as one of the best unsigned bands. DDV are also the only Canadians in this elite group. The musical selection that earned DDV this title is *Hai Rubah*, Track #6 on Elephant Head.
